School's Standards of Student Participation

Overview

The school monitors the academic progress of each student to evaluate and determine that he or she is making satisfactory academic progress toward understanding the training materials, is grasping, and effectively using newly obtained skills, and is meeting the minimum achievement standards of the program. Students who do not maintain these standards are subject to probation, suspension, or termination from the program.

Quantitative Progress Toward Program Completion (Attendance)

Students are required to make quantitative progress toward program completion. The satisfactory quantitative progress is a minimum cumulative attendance of 90% of the scheduled class hours as of each monthly evaluation period.

Qualitative Progress Toward Program Completion (Grade Point Average)

Students are required to make qualitative progress toward program completion. The satisfactory academic qualitative progress standard is a minimum cumulative grade point average of 75% as of each monthly evaluation period.

Maximum Time Frame for Completing the Program

The maximum time frame for completing this program is seven months. If a student cannot complete a program within this time frame due to circumstances beyond the student's control, they must meet with the school director to discuss possible options.

Consequences of Failure to Meet Satisfactory Academic Standards

If a student fails to meet the cumulative 75% grade point average or the 90% attendance average for any evaluation period, he or she will be placed probation for the next evaluation period. Failure to achieve either of these two standards at the end of the probation period will result in suspension or termination from the program.

Appeal Process

The student may submit a written appeal of his or her dismissal within five calendar days of their receipt of the dismissal notice. The appeal must be accompanied by documentation of the mitigating circumstances that have prevented the student from attaining satisfactory academic progress and evidence that changes have occurred to allow the student to now meet standards of satisfactory academic progress. Only extraordinary circumstances will be considered, such as death or severe illness in the immediate family.

The Education Director will assess all appeals and determine whether the student may be permitted to continue in school on a warning status, despite not meeting the satisfactory progress requirements. The student will be sent the written decision within ten days of the school's receipt of the appeal. The decision of the Education Director is final.

Students reinstated upon appeal are on a probationary status for the next evaluation period, during which time they must meet the terms and conditions set out in the Education Director's letter granting the appeal. At the end of the evaluation period, and at the end of every evaluation period thereafter, the student's academic status will be reviewed.

3. Written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage pre-paid.
4. The written notice of cancellation need not take any particular form and, however expressed it is effective if it shows that you no longer wish to be bound by the Agreement.
5. You may request a cancellation form from the administration office. If the school has given you any equipment or supplies, you shall return it to the school, in unused condition, within 30 days following the date of your notice of cancellation. If you fail to return this equipment or supplies within the 30-day period, the school may deduct its documented cost for the equipment or supplies from any refund due to you. ACCOUNTS RECEIVABLE SPECIALIST ENROLLMENT AGREEMENT

PROCEDURE TO CANCEL ENROLLMENT AGREEMENT OR WITHDRAW FROM THE INSTITUTION AND OBTAIN A REFUND (CONTINUED)

Withdrawing After the First Seven (7) Days After Enrollment

1. You have the right to withdraw from the program of instruction at any time.
2. The school will provide a pro rata refund of nonfederal student financial aid program monies paid to students who have completed 60% or less of the period of attendance within the current term. Students who withdraw from the program are not financially obligated beyond the current term.
3. If you withdraw from the course after midnight of the seventh day after enrollment, the school will calculate the amount you owe for the time you attended according to the following formula: The amount you owe shall be determined on a prorata basis if you have completed 60% or less of the period of attendance depending on how many days/hours remain at the time you withdrew from the course. After we compute the amount you owe for the time you attended, we will keep the non-refundable registration fee and the documented cost of any equipment or supplies that you received which you do not return in unused condition within 45 days of your withdrawal, as well as any STRF fees paid.
4. For the purpose of determining a refund, the student shall be deemed to have withdrawn from a program of instruction when any of the following occurs: (a) the student notifies the Education Director in writing or via email of the date of intent to withdraw; (b) the institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; and/or failure to meet financial obligations to the school; (c) The student does not return from a leave of absence; (d) the student fails to attend classes for seven consecutive days.

6. For programs beyond the current payment period, students who withdraw prior to the next payment period, all charges collected for the next period will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.
7. If the amount paid is more than the amount owed for the time attended, then a refund will be issued within 45 days. If the amount owed is more than the amount paid, arrangements must be made to pay the balance due.

Student's Obligation to Student Tuition Recovery Fund (Page 1 of 2)

Overview of Student Tuition Recovery Fund (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss.

School STRF Disclosure Requirements

As a BPPE approved to operate institution, the school is required to disclose the following important information:

Student State-Imposed STRF Assessment Fee

The Student Tuition Recovery Fund (STRF) assessment rate for the Bureau for Private Postsecondary Education (BPPE) in California was changed to \$0 per \$1,000 of institutional charges effective April 1, 2024.

Students Not Eligible for STRF

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school.

Questions About STRF

Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education at 1747 North Market Blvd. Suite 225, Sacramento, CA 95834, web site address at www.bppe.ca.gov, telephone (916) 574-8900, fax number (916) 263-1897, or (888) 370-7589.

STRF Eligibility

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.

ACCOUNTS RECEIVABLE SPECIALIST ENROLLMENT AGREEMENT

Student's Obligation to Student Tuition Recovery Fund Page (2 of 2)

STRF Eligibility-continued

2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120 d-y period before the program was discontinued.

3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.

5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

STRF Reimbursement

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

Student Loans and STRF

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.
